Parking must be reserved and paid for ahead of time, so please reach out to us if this is a priority for you. Paid parking can be found during the day on the street and in certain lots near the property, but please be mindful of closures and street sweeping days! Ask someone from our team if you're looking for parking recommendations during your stay. **Public transport, foot travel, and ridesharing services are encouraged.**

## **Check-In - 4PM**

On the day of your arrival, we will send you 2 codes. The first code will be for the front door, and the second will be for the unit door. If you reserved a parking space, we will send you a third code for entering the lot! Please view the photos provided in the first pages of this document to guide you during the check-in process.

The front door is located on 15th Avenue, about 40 steps from G St. If you'd prefer, you may plug in the following coordinates to your GPS which will take you straight to the front door:  
(32.712969, -117.150329)

On the outside of the building you will see the numbers "715" in large vertical font. The front door is to the left of these numbers, where you'll also see a sign that says "The Leo" up above. Enter the front door code to unlock the door, and proceed to the elevator. Unit 602 is located on **floor 6**.

Once in front of Unit 602, place your palm on the keypad to turn it on, enter your **unit code**, and tap the check mark in the bottom left corner. The door will now unlock for you, and you can enter the unit!

The door will automatically lock behind you. Please make sure the door closes all the way each time in order for the lock to engage properly. Let us know if you have any trouble accessing your unit! We are quick to respond and happy to help.

## **Check-Out - 10AM**

Upon leaving the unit, please leave the property as you found it by ensuring all lights and air conditioning are switched off. Our cleaners would greatly appreciate it if you clean your dishes, and dispose of any trash!

Dirty towels can be left in the bathroom and used bedding can be left on the bed.

If you enjoyed your stay, please leave us a review and a 5 star rating on AirBnB!

Please respect that there are other guests who share the same floor. We trust that you will treat not only the space with kindness and respect but also those staying close to you. Parties, excessive noise and smoking within the unit or hallway are prohibited. Any violation of this will result in your reservation being terminated without reimbursement. **Pets are not allowed in this Airbnb.** If you wish to bring a service animal with you during your stay, please let us know in advance, as we must pre-approve you for this accommodation.
